Biography

Natalia Dinsel-Bondarenko is a contemporary artist born in Lviv, Ukraine, and based in Mallorca, Spain.

Her practice explores how changing perception can transform our relationship to lived experience. Through layered abstract painting, she creates visual spaces that invite viewers to question experiences whose meanings once seemed fixed, opening new possibilities for understanding themselves and the world around them.

Her work has been exhibited internationally and is held in private collections across Europe and North America.

The works presented in this portfolio are currently available and will be on view at the Hamptons Fine Art Fair 2026.
